Ratio guidance from the statutory framework for the EYFS (2021 statutory framework)

3.31. The ratio and qualification requirements below apply to the total number of staff available to work directly with children. Exceptionally, and where the quality of care and safety and security of children is maintained, changes to the ratios may be made.

3.36. For children aged three and over in independent schools (including in nursery classes in free schools and academies), where a person with Qualified Teacher Status, Early Years Professional Status, Early Years Teacher Status or another approved level 6 qualification, an instructor, or another suitably qualified overseas trained teacher, is working directly with the children:

- for classes where the majority of children will reach the age of five or older within the school year, there must be at least one member of staff for every 30 children

- for all other classes there must be at least one member of staff for every 13 children
- at least one other member of staff must hold an approved level 3 qualification

3.37. For children aged three and over in independent schools (including in nursery classes in academies), where there is no person with Qualified Teacher Status, Early Years Professional Status, Early Years Teacher Status or another approved level 6 qualification, no instructor, and no suitably qualified overseas trained teacher, working directly with the children:

- there must be at least one member of staff for every eight children
- at least one member of staff must hold an approved level 3 qualification
- at least half of all other staff must hold an approved level 2 qualification
