

## 11+ EXAMINATION RESULTS FOR CHILDREN IN YEAR 6

I am delighted to publish the 11+ results for this academic year. We have 42 children in the year group and 10 of these children have been awarded one or more scholarships. This is an exceptional set of results with 16 scholarships being offered in total; however, I am just as proud of the results for those children who can find academic work more challenging. All these results are a testament to the hard work of both the children and the staff and I send my thanks and congratulations to them all.
